

Privacy policy/purpose of collecting and protecting personal information related to this tour

Friendship Program 2024 Summer Camp

With regard to the privacy policy submitted to this tour, our association will handle the personal information appropriately in accordance with the Act on the Protection of Personal Information and will take the necessary measures, including the handling of personal information by the tour planners and organizers and service providers of accommodation, meals, experiences, etc. at the travel destination, to ensure that personal information is not used for any purposes other than those listed below.

1. Purpose of use of personal information related to "Participant applicants (participants)"

- ① For our association to accept "reservations for this tour"
- ② For our association to enter into a "contract for this tour"
- ③ Before the trip, our association will request through the organizer to "provide services such as accommodation, meals, and experiences at the travel destination and take care of the health of the participants, etc."
- ④ Before the trip, our association, the organizer and the service providers of accommodation, meals, experiences, etc. at the travel destination will carry out "application procedures for nonlife insurance"
- ⑤ During the trip, our association, the organizer and the service providers of accommodation, meals, experiences, etc. at the travel destination will be able to "confirm participants, take care of their health, contact emergency personnel, etc."
- ⑥ During and after the trip, the accommodation service provider will store a "guest list"
(However, this is limited to "accommodation facilities" that have a business license under the Inns and Hotels Act or have filed a notification under the Residential Accommodation Business Act)
- ⑦ During and after the trip, the organizer will record and store "the implementation status and results of this tour"
- ⑧ After the trip, for the organizer to facilitate "post-trip exchanges between participants and the travel destination"

2. Purpose of use of personal information related to "parents"

- ① For the Association to accept "reservations for this tour"
- ② For the Association to enter into a "contract for this tour"
- ③ For the Association and the organizers to be able to provide "consultations and emergency contacts, etc., related to the applicant (participant)" before and during the trip
- ④ For the Association and the organizers to be able to provide "contact, etc., related to the participant" after the trip
